WASHINGTON, Feb. 8—The Cap-per-Velstead bill to legalize the co-op-erative marketing of farm products was expected to be sent to conference teday by the house following its pas-sage late yetserday in the senate by a vote of 58 to 1.

It was tearned today that detectives who have been seeking a motive for the slaying of Taylor have been checking up the activities of a man of considerable prominence in the Hollywood tim colony.

The investigators are endeavoring to learn whether this man has, as was reported from various sources, been in love with a film actress. They are also trying to learn whether Taylor was an intimate friend of the woman. The bill as passed by the senate re
